

JOB POSTING #211-18

POSTING DATE: October 30, 2018

JOB TITLE:	Rapid Response Registered Nurse, Full-Time
INITIAL ASSIGNMENT:	Rapid Response Nurse Program (SM RRRN-001)
BARGAINING AGENT:	ONA
LOCATION:	Sault Ste. Marie
LANGUAGE(S):	English
EFFECTIVE DATE:	Immediately

POSITION SUMMARY:

The Registered Nurse - Rapid Response focuses on the care during transition from acute care to home care for eligible complex/chronic adults and medically fragile children.

NATURE & SCOPE:

- Provides the first in-home nursing visit within twenty-four (24) hours of hospital discharge for patients with complex/chronic diseases including CHF, COPD, Diabetes or other;
- Completes a clinical, problem-based head to toe assessment;
- Confirms the patient's hospital discharge plan;
- Performs medication reconciliation for patient and reviews medication protocol with patient and caregiver;
- Utilizes a "teach back" approach to help the patient and family understand the care plan, treatments, symptom management, and when/who to ask for help;
- Initiates communication with the patient's primary care provider, and ensures follow up with primary care within seven (7) days;
- Refers to longer-term community programs through the Care Coordinator as required, once goals of Rapid Response program are met.

QUALIFICATIONS:

- Registered Nurse in good standing with the College of Nurses of Ontario;
- Minimum 3-5 years clinical experience working as a Registered Nurse;
- Recent and relevant experience providing direct (hands-on) nursing care within the areas of Paediatrics, Chronic Disease Management, Medicine or Cardiology. Preference will be given to experience within the last 2-3 years;
- Certificate in Geriatric Nursing (GNC) or Certified Nurse in Critical Care Pediatrics (CNCCP) an asset;
- Superior clinical assessment skills;

- Ability to provide quality clinical service delivery in conjunction with patients and other stakeholders;
- Ability to work independently;
- Strong critical thinking and problem solving skills;
- Effective interpersonal and communications skills;
- Ability to provide health coaching and disease-specific education to patients;
- Advanced oral and written proficiency in English is essential;
- Must have valid driver's license and access to a vehicle, as travel to patient homes will be required;
- Valid Emergency First Aid Certification.

The NE LHIN is an equal opportunity employer. Personal information submitted will be used only for the purpose of determining suitability for this vacancy. All applicants are thanked for their interest in this position. Only those applicants selected for an interview will be contacted.

Interested persons are invited to submit a cover letter and resume by **November 8, 2018** at 4:30 p.m. by e-mail to:

nelhinemployment@lhins.on.ca

Applications received after the date noted above may be considered unless seniority is the determining factor in selecting the successful candidate.
